

# Receive with Next-Level Speed and Precision

## Faster, error-free inbound operations

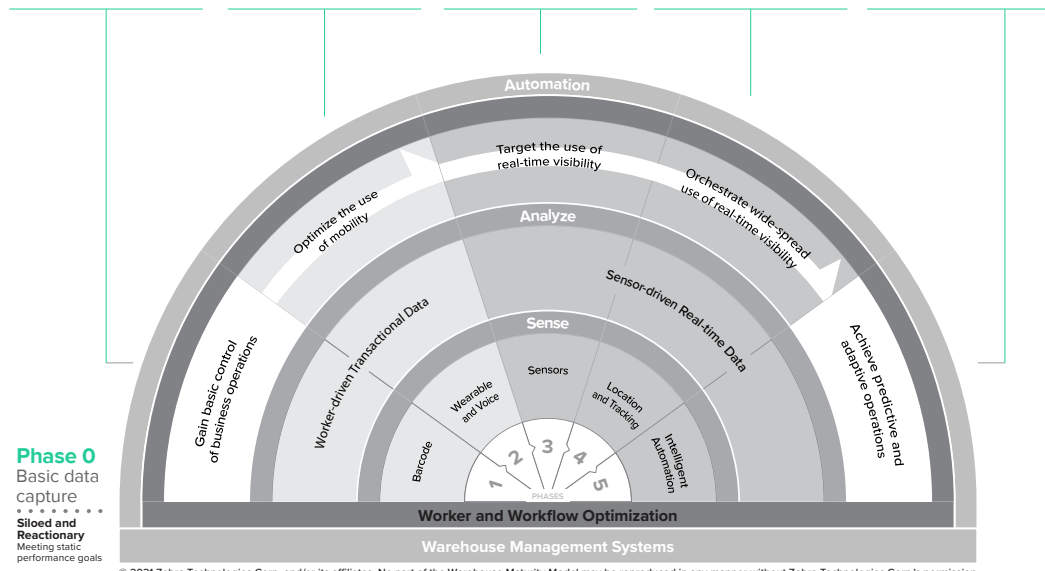

The pace of warehousing is accelerating today. To keep pace, you need every worker visible, connected and optimally utilized. Augment your workforce with the right technology and tools, purpose-built for your environments for faster fulfillment. Strategically power your way forward with the Zebra Warehouse Maturity Model to achieve your goals.

### Optimize Your Labor and Workflows Starting at the Receiving Dock

Take a phase-by-phase approach to modernizing

 <b>Phase 1</b>	 <b>Phase 2</b>	 <b>Phase 3</b>	 <b>Phase 4</b>	 <b>Phase 5</b>
Enable the use of advance ship notices (ASN) by mobile workers to receive, sort and label efficiently.	Equip lift truck operators with task-specific devices to keep heads-up, focused and safe while unloading.	Automate receipt of goods as they are unloaded on conveyors or by pallet.	Know with near 100% accuracy where assets are located in staging areas for faster, error-free put-away.	Fuse multiple sensor and transactional data inputs to automate receiving decisions through intelligent automation.
				
Android™ Mobile Computers, Desktop Printer with Battery, Ultra-Rugged Scanner, Zebra DNA.	Vehicle-Mount Computers and Tablets with Ultra-rugged Zebra Workforce Connect™.	Zebra Fixed RFID Readers and Antennas, Fixed Industrial Scanning.	Zebra MotionWorks™ Warehouse* and Real-time Location Systems (RTLS) Technology.	Partner applications and Zebra Data Services APIs.
